STEP 2: ACCESS REGISTRATION SITE: SIGN IN OR CREATE AN ACCOUNT

The screenshot shows the registration page for Connect 2026. At the top, there is a navigation bar with the Supply Nation logo and the event name 'CONNECT↑2026'. Below this, the page is titled 'ATTENDEE TICKETS'. A progress indicator shows the current step. The main content area contains instructions: 'Here, you can purchase Connect two-day passes, one-day passes and tickets to the Gala Awards Dinner. If you are registering on behalf of an individual or group, you will be required to enter contact information for every attendee. Add yourself as the Group Contact to be copied on all communications. Start by creating an account. Note: If you attended last year, you need to create a new account, as 2025 login credentials will not be valid for 2026.' Below the text are two tabs: 'SIGN IN' and 'CREATE AN ACCOUNT'. The 'CREATE AN ACCOUNT' tab is active and shows a form with four input fields: 'Account Email', 'Confirm Account Email', 'Password', and 'Re-enter Password'. At the bottom left, there is a 'Not signed in' indicator, and at the bottom right, there is a 'Next' button.

New users: select 'Create An Account' and enter your details.

Note: your [supplier or member portal](#) login and the Connect registration site are two separate logins.

Returning users: select 'Sign in' with your registered email and password. Here, you can view or modify your booking. (Note: If you attended last year, you need to create a new account, as 2025 login credentials will not be valid for 2026).

Select 'Next' to proceed.

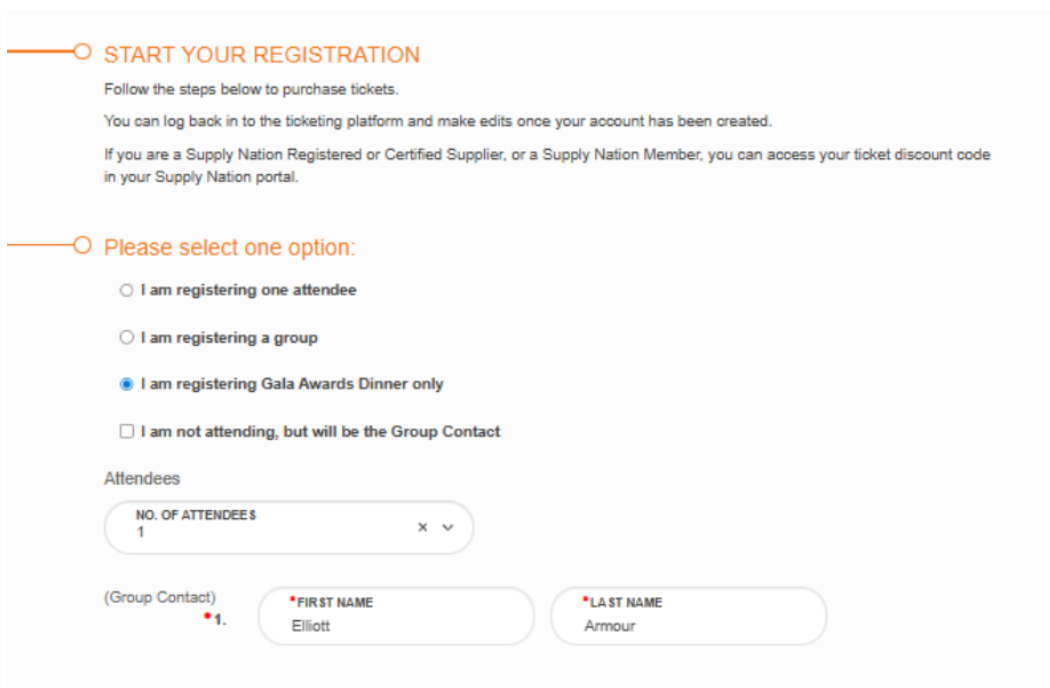

STEP 3: REGISTRATION OPTIONS

Registering as a single attendee or for a group.

If you are not attending but purchasing tickets for others, select the '**I am not attending, but will be the Group Contact**' checkbox.

Note: only the Group Contact can access and modify the registration details by logging in at a later date, including editing contact information, adding items to the order and making additional payments.

- Select the ticket types for each individual attendee, one attendee at a time.
- Apply a discount code to each individual ticket, if you have received one (Supply Nation suppliers and members can view their exclusive codes in the [Supply Nation portal](#)).
- Ensure all mandatory fields marked * are complete.

If details of your attendees are unconfirmed, you may select the “TBC” checkbox and enter an organisation name only. Information can be updated before the deadline.

STEP 5: REGISTRATION SUMMARY

This page displays the details of your registration.

You can edit the information before submitting by selecting the 'Edit/View' button for each ticket or 'Edit Group' at the bottom-left corner of the page. You can also add additional tickets.

IMPORTANT

If you are registering a group for two-day passes or one-day passes, you must register tickets for every attendee:

1. Select **Register** next to each attendee name to complete all their details. You may use holding text e.g. "TBC" if you are yet to allocate all tickets.
2. Important: if you have a discount code, you will need to add the code to each individual ticket.

To edit or remove tickets: select **Edit/View** next to the attendee's name to make changes or remove tickets.

If you are registering Gala Awards Dinner tickets, you will be sent a link to register your guest list closer to the event date.
